NIKI WARMS THE COLD

Niki Warms the Cold is a charity born in memory of Cranfills Gap native, Niki Carlson, shortly after her unexpected death. Niki dreamed of keeping blankets in her car to hand out to folks in need. This dream became reality as the seed Niki planted with her family began to grow. Niki Warms the Cold distributes coats and blankets to those in need across the state of Texas. Bacon Bash Texas hosts a coat and blanket drive at each year's event. A portion of the event proceeds will help Niki Warms the Cold purchase additional blankets and coats.

TYPE 1 DIABETES

Niki's cousin, Lexie Finstad and Cranfills Gap native, was diagnosed with Type 1 Diabetes. She was a nine year camper at a specialized Diabetes camp in North Texas. The camp's main focus was to educate children on their illness and to help instill healthy habits in campers, while connecting them with other children with Diabetes. These specialized camps make a huge impact in the life of a child with Type 1 Diabetes! Bacon Bash Texas has a scholarship fund to send children with Type 1 Diabetes to these camps. Scholarships are fully funded by Bacon Bash Texas proceeds. Bacon Bash Texas also provides funding to families for Continuous Glucose Monitoring Systems with event proceeds. This system allows remote monitoring of a Diabetes patient's glucose levels and alerts a parent when the child's levels become dangerous. Each year, Bacon Bash also makes a financial donation to JDRF to aid in T1 research. Scholarship and funding applications are available at www.BaconBashTexas.com. If you know a child (under the age of 18) with Type 1 Diabetes, please be sure to pass application information to their parents!
